Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting fiscal year 2022 community project funding for the Krum Bay Marine Enforcement Pier project on St. Thomas in the U.S. Virgin Islands.

The public entity to receive funding for this project is the Virgin Islands Department of Planning and Natural Resources (DPNR), which is located at 4607 Tutu Park Mall, Charles W. Turnbull Regional Library, St. Thomas, VI 00802. The anticipated location of the project is Krum Bay, "Part of Section 3 of Tract 4", Estate Sub Base, St. Thomas, VI 00802. This project is estimated to cost \$1 million.

The requested funding would be used by DPNR for needed repairs to the Krum Bay Marine Enforcement Pier. This project is a sound use of taxpayer funding because the pier is in a state of major disrepair and the safety of enforcement vessels could be compromised if it is not fixed.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Stacey E. Plaskett".
