Dear President Obama

My name is xxxxxx and I am in the xxxx grade at the xxxxxx School. I live in St. Croix, U.S. Virgin Islands. I think you should visit the Virgin Islands because it is one of the most beautiful places in the world. However, while it is seen as paradise to many, the Virgin Islands community is dealing with the same issues that have attracted your attention to other cities, states and countries.

Issues like, climate change vulnerability, poor infrastructure, a struggling economy and gun violence. I think a visit to the Virgin Islands will direct attention to these very real issues affecting the people of the Virgin Islands.

Yours Truly,
