Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting fiscal year 2023 community project funding for the Rohlsen Airport Apron Rehabilitation project in the Virgin Islands.

The public entity to receive funding for this project is the Virgin Islands Port Authority, located at 8074 Lindbergh Bay, St. Thomas, VI 00802. The anticipated location of the project is the Henry E. Rohlsen Airport, St. Croix, VI 00821.

The requested funding would be used by the Virgin Islands Port Authority for rehabilitation of existing aircraft parking aprons to ensure the continued safety of airport operations at Rohlsen Airport.

This project is a sound use of taxpayer funding because the construction of additional apron rehabilitation would further align the airport with safety requirements since pavement maintenance is a key safety component of any airport.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Stacey E. Plaskett".
