AND GOVERNMENT REFORM

Congress of the United States
House of Representatives
Washington, D.C. 20515

Dear Applicant,

I would like to commend you on your decision to apply to one or more of the nation's five Service Academies. Historically, these Academies are institutions of higher learning where many great Americans are molded from young men and women to become leaders that have honorably protected our freedom and our form of government.

As your Congresswoman I am honored to have been given the opportunity to select the territories' most accomplished and motivated young people for acceptance to a Service Academy. The role of my office is to nominate students that have prepared themselves for the physical and mental challenges they will face. The Service Academies are equipped to prepare students for service to our country and as role models from our islands after graduation as commissioned officers in the United States Armed Forces. To assist us with this decision, a review board has been created and staffed with educators and servicemen from the community. The board will review applications, conduct interviews, and present their recommendations to my office for nominations.

The academies requiring nominations are:

- **U.S. Military Academy at West Point**
- **U.S Naval Academy**
- **U.S Air Force Academy**
- **U.S. Merchant Marine Academy**

Please remember that nominations are limited. We encourage you to also consider applying to the U. S. Coast Guard Academy, Officer Training Schools and Reserve Officer Training Corps (ROTC) programs as those options do not require nominations.

As your representative in Congress, remember that our offices are here to support you. I encourage you to continue to work hard to reach your goals. Please continue to strive for excellence and remember...the journey has just begun.

Your Servant,

A handwritten signature in blue ink that reads "Stacey E. Plaskett".

- g) **Qualifying Medical Exam.** The individual academies recommend scheduling of medical examinations to the Department of Defense Medical Review Board (DODMRB). The recommendation is completed after receipt of the pre-application questionnaire, and the results of this exam are not needed for the nomination application file.
- h) **Interview.** In the final step of the nominating process applicants will be interviewed by Congresswoman Stacey E. Plaskett's Service Academy Selection Board comprised of residents of the Virgin Islands. The board will review nomination applications, interview applicants, and make recommendations to Congresswoman Plaskett. Nominations will ONLY be made by either Congresswoman Plaskett or by other eligible nominating authorities for consideration of acceptance to a Service Academy. Further information on interview scheduling will be made once the applicant's file is complete.

2) BASIS FOR SELECTION

Academia, leadership potential, extracurricular activities, physical fitness, and letters of recommendation ARE the selecting factors considered for nomination.

- a) **Academic Factors.** Applicants will be considered based on school records, grade point average, and College Board scores. High SAT and ACT scores provide for greater chances for a

nomination but so does meeting and exceeding the qualifications in the remaining areas of consideration.

- b) **Extracurricular Activities.** Congresswoman Stacey E. Plaskett's Service Academy Selection Board seeks students who within their communities (schools, volunteer work, or other activities) demonstrate leadership ability.
- c) **Motivation.** An important consideration that must not be overlooked is motivation – the applicant's desire to attend an academy. The diligence in completing this application, the essay and resume are good tools for measuring motivation. Incomplete applications will not be considered. Hint – the essay is an extremely helpful tool in the review of the application.
- d) **Leadership and Physical Fitness.** Information provided on the application will demonstrate leadership potential and physical fitness. Unlike colleges, Service Academies place a high emphasis on physical training. Similar to colleges and universities, Service Academies consider leadership and extra-curricular activities to be of great importance. Letters of recommendation and resume SHOULD highlight applicant's leadership skills.

3) Other Commissioning Options

- a) **U.S. Coast Guard Academy.** The U.S. Coast Guard Academy does not require a nomination from either Congresswoman Stacey E. Plaskett or one of the appropriate nominating authorities to be considered for acceptance to an Academy.

The U.S. Coast Guard Academy is proud to educate leaders of a multi-mission, maritime military force. As a commissioned officer in the Coast Guard, you will be leading a team of men and women continually called on to service community, country, and fellow citizens. The roles of the U.S. Coast Guard go beyond just Maritime Safety and Security it also includes protection of natural resources, management of maritime traffic, commerce and navigation, and national defense. Its academy located on the Thames River in New London, Connecticut provides a four-year Bachelor of Science degree program with a full scholarship.

Newly commissioned ensigns, upon graduation, report for duty aboard cutters and at sector offices in ports nationwide. As a graduate of the academy, you are obligated to serve five years in the U.S. Coast Guard. You may visit <http://www.cga.edu/> for additional information.

- b) **Reserve Officer Training Corps (ROTC):** An alternative to attending an academy is the Reserve Officer Training Corps (ROTC) programs offered by the U.S. Army, U.S. Air Force, and U.S. Navy Reserve. This program is offered at many colleges, and it is a four-year elective program. This program offers full and partial tuition scholarships to qualified students. As a result of completing a Reserve Officer Training program, you will be commissioned as a Second Lieutenant or Ensign along with students who graduate from a service academy, at the same time.
 - i) For additional information, please visit the following websites:
